I would like all future generations to know that man's greatest downfall is his ignorance. I learned at HHS that this ignorance is created and enhanced by the faults of our system. It is based on keeping its people in the dark. Anyone who speaks up will be silenced. Let us not forget Orwell's 1984. We must fight it.

Lighting up the town...

Hingham may not be the most exciting town but at least we know how to have fun. There are a number of cool places to check out. The Bagel Shop has become a regular hangout for students before, during and after school. Whether you're late to school or just need a place to chill, the Bagel Shop is always there for you. If your in the mood for some food you don't need to go far. At Brigham's and Ben and Jerry's many kids get "discount" ice cream from their friends who work there. Eating out has become a major social event. Crow Point Pizzeria, Stars and Chili's are a few of the more popular places to get something tasty. If you can only afford coffee, try Brewed Awakenings. If you don't mind spending your entire college fund on a cup of coffee, try Fire King. If you're desperate, you can always harrass the employees at 7-11 or sit at Getty all night or see what's up at World's End. Well, that's Hingham!

The Bagel Shop, Hingham's own "Peach Pit".

Pete and Mike W., your average high school bagel boys.

Jim D. shows us how easy work at the Fruit Center really is.

Hi! My name is Jim McDonough and this is my pump.

Old Navy (aka the Gap)-Hingham fashion at its greatest!

Russ lives at Getty on the weekends!

Super Stars...

Sarah pretends to be interested in the book when she really only wants to get closer to Tom.

John "knows" he's sexy!

Amy-"over here!"

Sibby's sly grin reveals her plot to kill the camera man.

Mark takes time out to flash the camera a smile.

Dan thinks that everyone is laughing at his joke. Sure, we're not laughing at you we're laughing with you.

Concert Band

The Hingham High School band has had yet another exciting year. The band, under the direction of Mr. A. Douglas Wauchope, performed a World Premier work commissioned by the Music Department, and written by Mr. Louis Stewart. This was a very rewarding experience, and a first for the band. The band, led by seniors Jon Bonner, Walter Conkey, Zack Lesko, Hugh Fournier, and Dale Larracey, did very well at the band's annual competition in Annapolis, Maryland. We know that we are leaving behind a band which will continue to succeed in all of its musical pursuits. We would like to thank all of the parents that were involved in the Fruit Sale fundraiser and other activities throughout the year. A special thank you goes to Mr. Wauchope for all of his caring and support throughout these past four years.

Mr. Wauchope conducts the band in rehearsal for an upcoming concert.

Zack leads the clarinet section.

The brass section plays a key role in band.

The band practices hard in order to add to their huge trophy collection from Festival competitions.

Walter's awesome tuba playing skills are essential to the band's success.

Chorus

Do-Re-Mi. Harmonious songs and scales echo from room 160 at 7:21 every morning. Meeting first thing every day makes the members of Chorus a tired but talented group of musicians. Tackling hard tasks such as sight reading or rhythm country tunes was never a problem for this selective, competitive and great sounding group. The group has had two exchange concerts. One with a choir from Weston, CT. and the other with a group from Cumberland, ME. The group spent 10 memorable days in April '95 touring Germany and Austria. The chorus always provided so much opportunity for the students involved. Whether it be organizing concerts, programs, parties, singing a solo, or trying out for District and All-State, the chorus recognized and appreciated an individual's chance to shine. So many memories have been aquired over the four years we, as seniors, have been involved. Caitlyn, Ken and Steve always harmonizing nature walks/ appreciation on trips, Katie's WC adventures, morning warm-ups (backrubs!!), "ocifer" meetings, sectionals, Meghan- what did you do with the cover to the dye?, Maura- don't let your music fly away!, The anthem at B-ball games, Carol-a-grams, Pretty Princesses vs. Trolls, Bob stand up!, Brandi's obsession with "After the Gold Rush," fruit sale and so many other things we'll never forget. To some of us singing came naturally, others had to work at it, but all of us love it. Thanks for the fun-always keep singing.

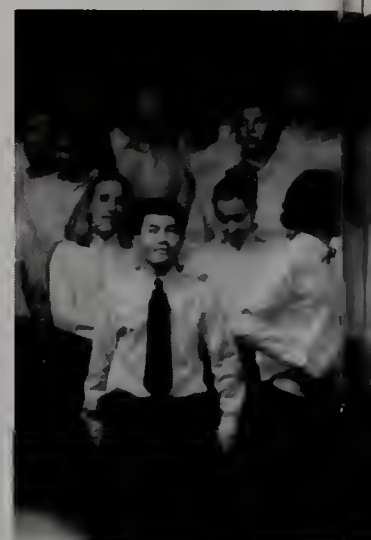

Liz takes time out to exercise after a busy day of singing.

Caitlyn is enjoying the German air.

Meghan and Ken are obviously enjoying all that Germany has to offer.

Steve and Meghan are typical tourists.

performing a play about the Khmer Rouge invasion of Cambodia called "To Destroy You is No Loss." This is the first serious play to be done by the Drama Club in many years. After this, we will be off to New York City, where we will see some Broadway productions such as Rent and Les Mis. The year will be finished off with "Thespian Night" and the Senior Directed One Acts as the Seniors say "good-bye."

Thinking back on the year, numerous things come to mind. One of the more amazing things is the large turnout for the Fall Musical, "Anything Goes." Close to 200 students were involved in the production. The show turned out to be a complete success. For this year's festival competition we will be

Senior Video

Senior video is a very important record of the class of '97. The staff meets every G period to ensure that the project is a success. Members of the staff attend various sports and club events searching for the perfect shot. Mr. Thaxter heads the video staff along with seniors Meghan Smeriglio, Megan Balunas, Dan Singleton, Bob Seaman, and Cindy Beigel. They have worked hard to capture our class' collective memories on film.

The two Meghans edit the video to make it just right.

Meghan and Bob are hard at work preserving our memories.

Harborlight

This year the Harborlight is conceived, layed-out, and printed entirely in the school. In the capable hands of Chief Editor Brendan Doherty and Assistant Editors Cassy Brouse and Kevin Doherty, the Harborlight has expanded to a superb multi-subject newsletter. Under the guidance of Mrs. Rehnquist and the printing know-how of Mr. Boddie, the production of the Harborlight runs smoothly. A great staff of fantastic writers has made the Harborlight a journalistic phenomenon to be proud of.

Student Council

The '96-'97 Student Council is filled with energy and ideas. Ms. Breen's ideas and fun attitude brought new life to this year's council. With her help, we went to the fall '96 SEMASC conference where the students were introduced to new leadership skills and ideas. For a service project in Dec., the

council held a sandwich making night. We made over 200 sandwiches which fed needy people lunch at Father Bill's place. Many members were involved in the student-run group BLUE (Be Leaders Understand-

ing Equality). The group was initiated to protest negative diversity & violence in school. Students, wearing blue ribbons to portray their loyalty to promoting diversity and safety, attracted media attention and were positive influences. The council hopes that its legacy as an influential student body will be counted on in the future.

Intergenerational

The Intergenerational Club kicked off the year with a great conference. Senior citizens and students came together to discuss many of the issues facing society today. The conference also brought about the year's service project. Students and senior citizens worked together to contribute to Operation Overcoat. This annual drive is meant to help as many people as possible by collecting winter clothing donations. This year the drive was very successful and everybody had a great time doing it. Together the members are earning their YEAH title which stands for Youth and Elderly Assisting Hingham. As always the year was a great experience for everybody.

Amnesty International

Amnesty International is an organization dedicated to fighting for the rights of people all over the world. This year's advisor, Mr. Swet, helped the group to organize various letter writing meetings. These letters are the main method that Amnesty uses to fight on the behalf of victims of injustice. Amnesty members are against the death penalty and all other forms of human rights violations. The organization does not focus its attention on a specific country or cause but works to benefit everyone. Amnesty is more than a club as the members, and especially president John Hare, understand.

Pat, Tim, TQ, and Nathan are fascinated by researching the history of Amnesty International.

Diversity Club

Everyone is welcome in the Diversity Club as long as they come in peace. As a group, the club discusses topics ranging from gay issues to the violence around us. The club shows great interest and concern for what is happening in our society. Most importantly, the club is concerned about racial issues and violence when they are a problem at Hingham High. The group tries to combat these problems to assure that they are not repeated in the future. The B.L.U.E. (Be a Leader, Understand Equality) group was started this year by the Student Council to work for the same goals as the Diversity Club. This group was established following the publication of articles in local papers addressing problems of intolerance at the high school. The group distributed blue ribbons to students in order to show their support of tolerance and harmony. Hingham High School has worked hard to welcome diversity.

Mountain Biking

The Mountain Biking Club was started in the fall of 1995. The 1996 team had fewer members than last year but managed to get a group of bikers together to ride at Wompatuck and Blue Hills. A few of the riders also got together and won first place in their class as a team. The team is proud to say that their award is the biggest in the trophy case by the front office. The team would like to mention Bob Sullivan who was greatly missed this year as he was unable to ride due to a neck injury from last season. K.C. Kopper would like to thank all the fans that came out to the harsh training rides, and those who helped start the club. Good luck to John Conway who will hopefully keep the team going next year.

Sibby promotes a good message: You drink, you drive, you die.

S.A.D.D.

Over the last year Elizabeth Webster (Ribs) and Ellen Coppinger (Elan), the co-presidents of S.A.D.D., have done numerous things for the club. Keychains with a logo promoting the slogan, "Don't drink and drive" were sold. Teenage speakers came in to talk to everyone about drinking and driving, especially during prom time. In addition, signs were posted around the school with a S.A.D.D. logo on them. Most importantly the presidents have organized the first Spring dance (Spring Fling) that Hingham High School has had in a while. We, the 1997 presidents of S.A.D.D. leave everyone with these final words.... Good luck with your future and on whatever you accomplish and remember not to drink and drive.

The members of S.A.D.D. are committed to stopping drinking and driving at Hingham High.

S.E.A.

S.E.A., Students for Environmental Action is a club dedicated to perserving and protecting the environment. Co-presidents Caitlyn Harvey and Meghan Balunas work hard to organize and execute various environmentally friendly activities. Senior officer Ken Bowers is also a key member in the club. The club meets every Friday after school to recycle bottles and cans. The sticky soda residue often attracts a large swarm of bees to join them in their recycling efforts. The club would like to apologize to all those bee families from whom they have taken loved ones. They would also like to thank Mr. Garland for keeping this die-hard club going. May S.E.A. live on in the hearts of true ecologists. Hasta.

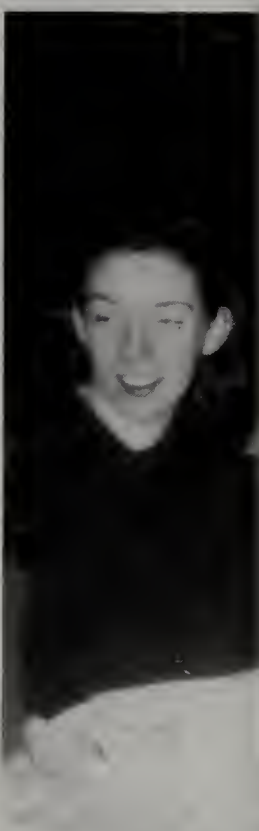

A.F.S. Club

The A.F.S. Club (American Field Service) led by President Meghan Balunas and V.P. Megan Clifford is the largest club at Hingham High. The Hingham chapter is responsible for supporting the foreign students who stay in Hingham and encouraging Hingham students to study abroad. This year, the club donated \$400 to the Toys-For-Tots program, raked leaves at the Friend's Home, and traveled to Washington D.C.

Ken contributes some good ideas.

We hoped our visits helped the students to appreciate the ocean. Good luck to the Oceanography Club next year!

Volunteer Club

The Volunteer Club led by Co-Presidents Meghan Childs and Christina Broker is involved in many service projects including the Pennies for Pine Street Program, and playing BINGO with senior citizens every Friday. The club has donated items to Father Bill's Place in Quincy and to the Pine Street Inn. The club has always been ready and willing to help others, and all of its beneficiaries have been extremely grateful over the years. The members feel that the Volunteer Club affords them an opportunity to make a difference in people's lives.

A sparkling occasion...

With tuxedos, limos, and sequins, Junior Prom was dazzling. We danced the night away to our favorite tunes while watching the videos on a HUGE dance screen. Pre-Prom dinner and pictures were a must. Upon arriving at the dance, it was hard to believe we were in a cafeteria due to the colored lights and sparkling decorations. Even the bathrooms looked nice! Towards the middle of the dance, the Junior video recieved a much-deserved round of applause. Our class bonded together as we prepared to enter our Senior year. All too soon it was eleven, time for students to be whisked away in their limos, but the night was young and the fun far from over. After-Prom parties completed the near perfect night.

The familiar sensation of ringing in your ears takes over when walking out of Great Woods. No one thinks that it's weird that everyone screams to their friends who are only a few feet away. A Dazzling Night...

The cafeteria looked like a battlefield. Seniors shoved Frosh out of the way to grab one of the limited tickets. But many students were denied. Due to riotous gangs of kids, the front office thought it safest to print more tickets. The dance was packed. Entering the cafeteria, which was covered in red and white balloons, we forgot the chaos of the Thursday before. A huge number of kids went stag. The Macarena was done before it could go out of style (like it wasn't already!) Even Mr. Dirk was having a good time. Lack of oxygen forced many into the courtyard. Aside from a few broken windows, the dance ran smoothly. As our last Homecoming drew to a close, the Seniors drew together in a circle. Moments of stupidity caught on film, these pictures may be worth millions some day. Finally, as seniors we are free to act as strange as we want and obviously many of us have taken advantage of in fear as we do what-want. (Not that we anything.) We need to somehow. Cross Country

The Cross-country teams had great seasons this year. The girls' team struggled with various injuries, but still came out on top as usual. It was hard to compete with last year's victory at the League Meet, but we still had an awesome season. The boys' team has had a rough time for the last few years. The team is a young team, looking forward to more prosperous seasons in the future.

Girls Cross Country shares a bonding moment.

Field Hockey

Hingham Field Hockey completed another successful season this year ending up ranked fourth in their league and qualifying for the state tournament. Cheerleading

The football cheerleading season was the best ever. Learning new routines and cheers was difficult but it paid off. Lifts were very challenging and senior Jen Carnes says that they are one of the hardest things about the sport. This year marked the entrance of both new uniforms and a new coach. Looking good and practicing hard the team rose to new heights. Unfortunately the team lost one of its captains but managed to overcome this difficulty. Cheerleaders need to be peppy and the team psyched themselves up by feasting on pixy sticks and having psyche buddies. They were always ready for the games and were great at the pep rallies. The football team would have been completely lost without the cheerleaders rooting them on. Go Hingham!!!

Football

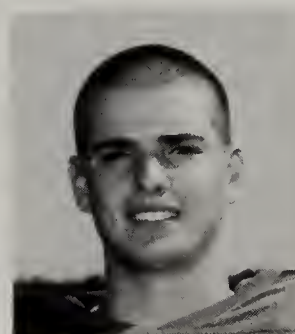

Attitude is everything! Our season wasn't as good as we wanted it to be. We were 2-7-1. But our record didn't reflect our attitude. Mike Kutsch (captain) was defensive MVP. He made the tackle when it was needed, no matter what. Mike Platt was one of the unsung heroes on defense. When it was 4th and inches, Mike would come up with a big hit and stop the other team. Dave Langill led the defense against the ground game. Russ Shute, a key player on defense, performed many short yardage stops. Russ gave it his all and did the job. The two main players on offense, Matt Camileri and Jimmy Humphrey, came through for us as was needed. Jim McDonough, an outstanding running back, saw the whole and made the right cuts into another hole. Jim's many touchdown worthy kickoffs and punt returns brought him the MVP. Kevin Mancini blocked for Jim and helped make the tackle with Mike K. Kevin was awarded with team MVP but couldn't have done it without the exceptional play of his teammates.

Boys Soccer

Boy's Soccer had a promising season with a 6-6-6 record. The "X-Factor", Jr. Alex White had an awesome game in the season opener against Plymouth-North. After a few setbacks at the beginning of the season, the team made a great run at the end to make the playoffs. Senior Corey Zahner and Freshman Evan Linquist led the team in goals. Senior captain Andy "Get-A-Grip" Lane had a strong season as well. Bob Wesson was a player who could do well at any position. Alex Scerbo was a strong defensive player making the switch from goalie this year. Corey Zahner was the core defensive player always giving 110%. Awards given included Andy receiving the 110% award, Corey the "best offensive player" award, and Alex Scerbo the "best defensive player" award and the A.C.L. Honorable Mention Award.

Basketball

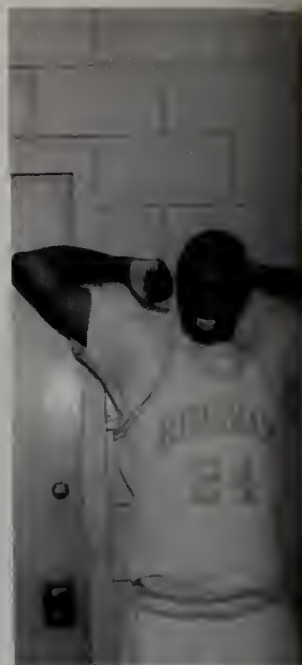

The basketball team started the season off with great expectations for their skilled team. They ended strong despite plaguing injuries. Jeff Shore's hurt knee, Denis Desmond's broken hand and Steve Tardinico's sprained ankle were only a temporary set-back for Massasoit Tournacess for the team. They have had a great turnaround in these past few years. All members raised their skill levels throughout the season by learning new and difficult moves. New coach, Maura Zaccardi, played a huge part in the team's success. The Hingham High Hockey Dynasty has been a trail of hardwork and dedication. Through perseverance and constant togetherness, the team has united, becoming the best team ever at HHS. This winning organization has been developed around its phenomenal defense, primarily

senior Chris Petrie. The offensive fire power is provided by the team's two "first lines." The red line of Hawk, Melanson and Gautreau has been the toughest and most physical line all year. The gold line of Sliney, Zahner and Murphy has been based upon finesse and quick movement.

Caroline Finlay was a huge asset to the team, scoring in the hurdles and the 300. Kate Haggerty kicked butt in the mile and anchored the 4x400 relay team. Sailing Team

The H.H.S. Sailing Team dared to sail where very few do: the bacteria infested Charles River. Other than that, 1996 was an awesome year for the team. Yep, that's right, we placed third in the Sail Offs with an 8 member team competing against 45 member teams. We are members of the Mass Bay League, New England Schools Sailing Association, and the Interscholastic Sailing Association. Awards were given out at the team cookout at HYC. Mark Lewis was named most improved and Caitlin Cohan and Keith Knowlton were named captains for the 1997 team. We look forward to the racing at the "slimy" Charles for 1997. Good luck team!

Boys Lacrosse

In 1996 The Hingham High school Boys Lacrosse team made it all the way to the Eastern Massachusetts final game. Excellent team efforts in offense and defense brought the team to this high point. Unfortunately the season came to an end after the Harbormen bowed out to the eventual state champions, Newton North. They will be captured by Mike Welch, Peter Staunton and Bryan Gautreau. The Harbormen also return seniors Anthony Marcella, Jon Winslow, and Chris Haddad. With all of these talented players the team is sure to carry on their reputation as a team that has what it takes to go all the way.

With help from Coach Heather Williams, Girls' Lacrosse had another great season last year. An especially notable victory over the number one team in Eastern MA, Newton-North, shows the strength, skill, and determination of the players. The team was the undefeated South Independent League Champ and advanced past the first round in the tournament. Many awards were handed out at the close of the season. Emily Stearns was named Best Midfielder and Kristin Klier was awarded Most Improved. South Independent League All-Stars included Christi Gigon, Kristina Sullivan, Heather Saylor, Katie Carolan, and Melissa Christino. Captains for 1997, Emily Stearns, Heather Saylor, and Lauren Cullings are ready for another strong season this year as the Harborwomen battle their way towards the tournament led by seniors Katie Carolan, Colleen Connearney, Audra Gomez, Jess Jancaitis, Kristin Klier, and Liz Rowe.

Softball

The Harborwomans' softball team consists of five hardworking and dedicated seniors. Captains Jaimee Bizzozero and Dale Larracey lead the team to each and every game. Along with Stephanie Monticone, Sue Mullen and Amy Wojosinski the team hopes that the '97 season will be as fun and enjoyable as the last. Everyone on the team has a special talent which makes them so strong and gives the team proof that the '97 season will be prosperous. Amy and Sue have gained reputations as the team's power hitters. Steph and Jaimee play the field in order to make the much needed outs each inning. Dale pitches with great control and makes it hard for the other team to get any hits. All those years of away games have given the team the opportunity to become close. They have gained a strong will and spirit which may not be reflected in their scores but is a major factor in defining the who the Harborwomen are.

Boys Tennis

The boys tennis team had a fantastic season last year finishing with a record of 17-3. For the first time in history, the team became Co-Atlantic Coast League Champs. Hingham defeated Duxbury for the first time in Seven Years and ended up sharing the title with them. Four members of the team were elected to the Atlantic Coast League All Stars: Matt, Cosmon, Matt Goulding, John Indrisoro, and Wes Marcks. This year, captains Cosmon and Indrisoro hope to lead the team to another tourney.

Girls Tennis

The girls varsity and junior varsity tennis teams have always had a great standing in the Atlantic Coast League. The 1996 season was extremely successful as coach Diane Sides led the varsity girls to first place in the Atlantic Coast League with a record of 14-3. Playing for Hingham's victory were senior co-captain Kellyann Jeffries, and sophomores Britton Lacey and Caitlin Fahey. The team's roster is strong in both singles and doubles. Senior co-captain Nanci Fine, juniors Courtney Jeffries, Lizzie Ford, Allison Walsh, Christine Ryberg, and sophomores Maggie Kirkendall, Emily Golden, and Ashley Engel all contributed to the teams advancement in the state tournament. Hingham drove right through to the state

quarter finals and lost to Bishop Feehan. The junior varsity team, led by captains Jessica Griffin and Erin Conroy, also had a successful season in the league. The team has alot of spirit and support which plays an important part in their success.

Boys Spring Track

1996 was a pretty good year for the boy's track team. With the help of a strong group of seniors, the team had a successful season. These top performers earned Hingham a fourth place finish in the State Meet, and broke a few records in the process. The 1997 season should be just as good. With Seth Neislon as the star (and only senior), the team looks forward to another year of hard work, fun, and success.

Powder Puff

Powder Puff '96- It was a dark and snowy day. As the seniors marched onto the field, the juniors smirked thinking that they already won the game. However, two junior fumbles and one senior offensive drive later, the score was 6-0 SENIORS! Tensions ran high as the juniors watched as their expectations for a win were

dashed by the unbelievable blocking and tackling of the seniors. 12-6 was the final score with Emily Sterns running in both touchdowns. Under the amazing coaching of Kevin Mancini, Jim McDonough, Matt Camilleri, Mike Kutch, Mike Platt and Dave Langill, the players trained hard for weeks in advance and were

obviously ready to face the somewhat larger junior girls. All those strenuous practices were definately worth the pain. For anyone who still thinks that girls aren't tough just ask Megan Williams and Megan Balunas. They found out the hard way! Snowball

A couple of events really stand out when remembering Snowball '97. There was Alex who felt the need to take off his shirt in the middle of the dance. No one knows why. Don't forget the *Macarena* and the *Electric Slide* which refuse to die even years after their original popularity. Fortunately this time around there were no ticket problems. The dance was packed. It was the first time in a while that the dance had actually sold out. It turned out to be a success and a good time was had by all.

Cassy searches for the punch bowl.

Liz glitters in gold.

Joe Harris, Mike Freeland, Bob Wesson, and Steve Lincoln stop dancing to please the camera.

Carrie and Brian. It takes two to tango.

Tom is having fun despite any distractions from Steve.

Meghan joins in on the Macarena...again.

Karen and Jon dance the night away.

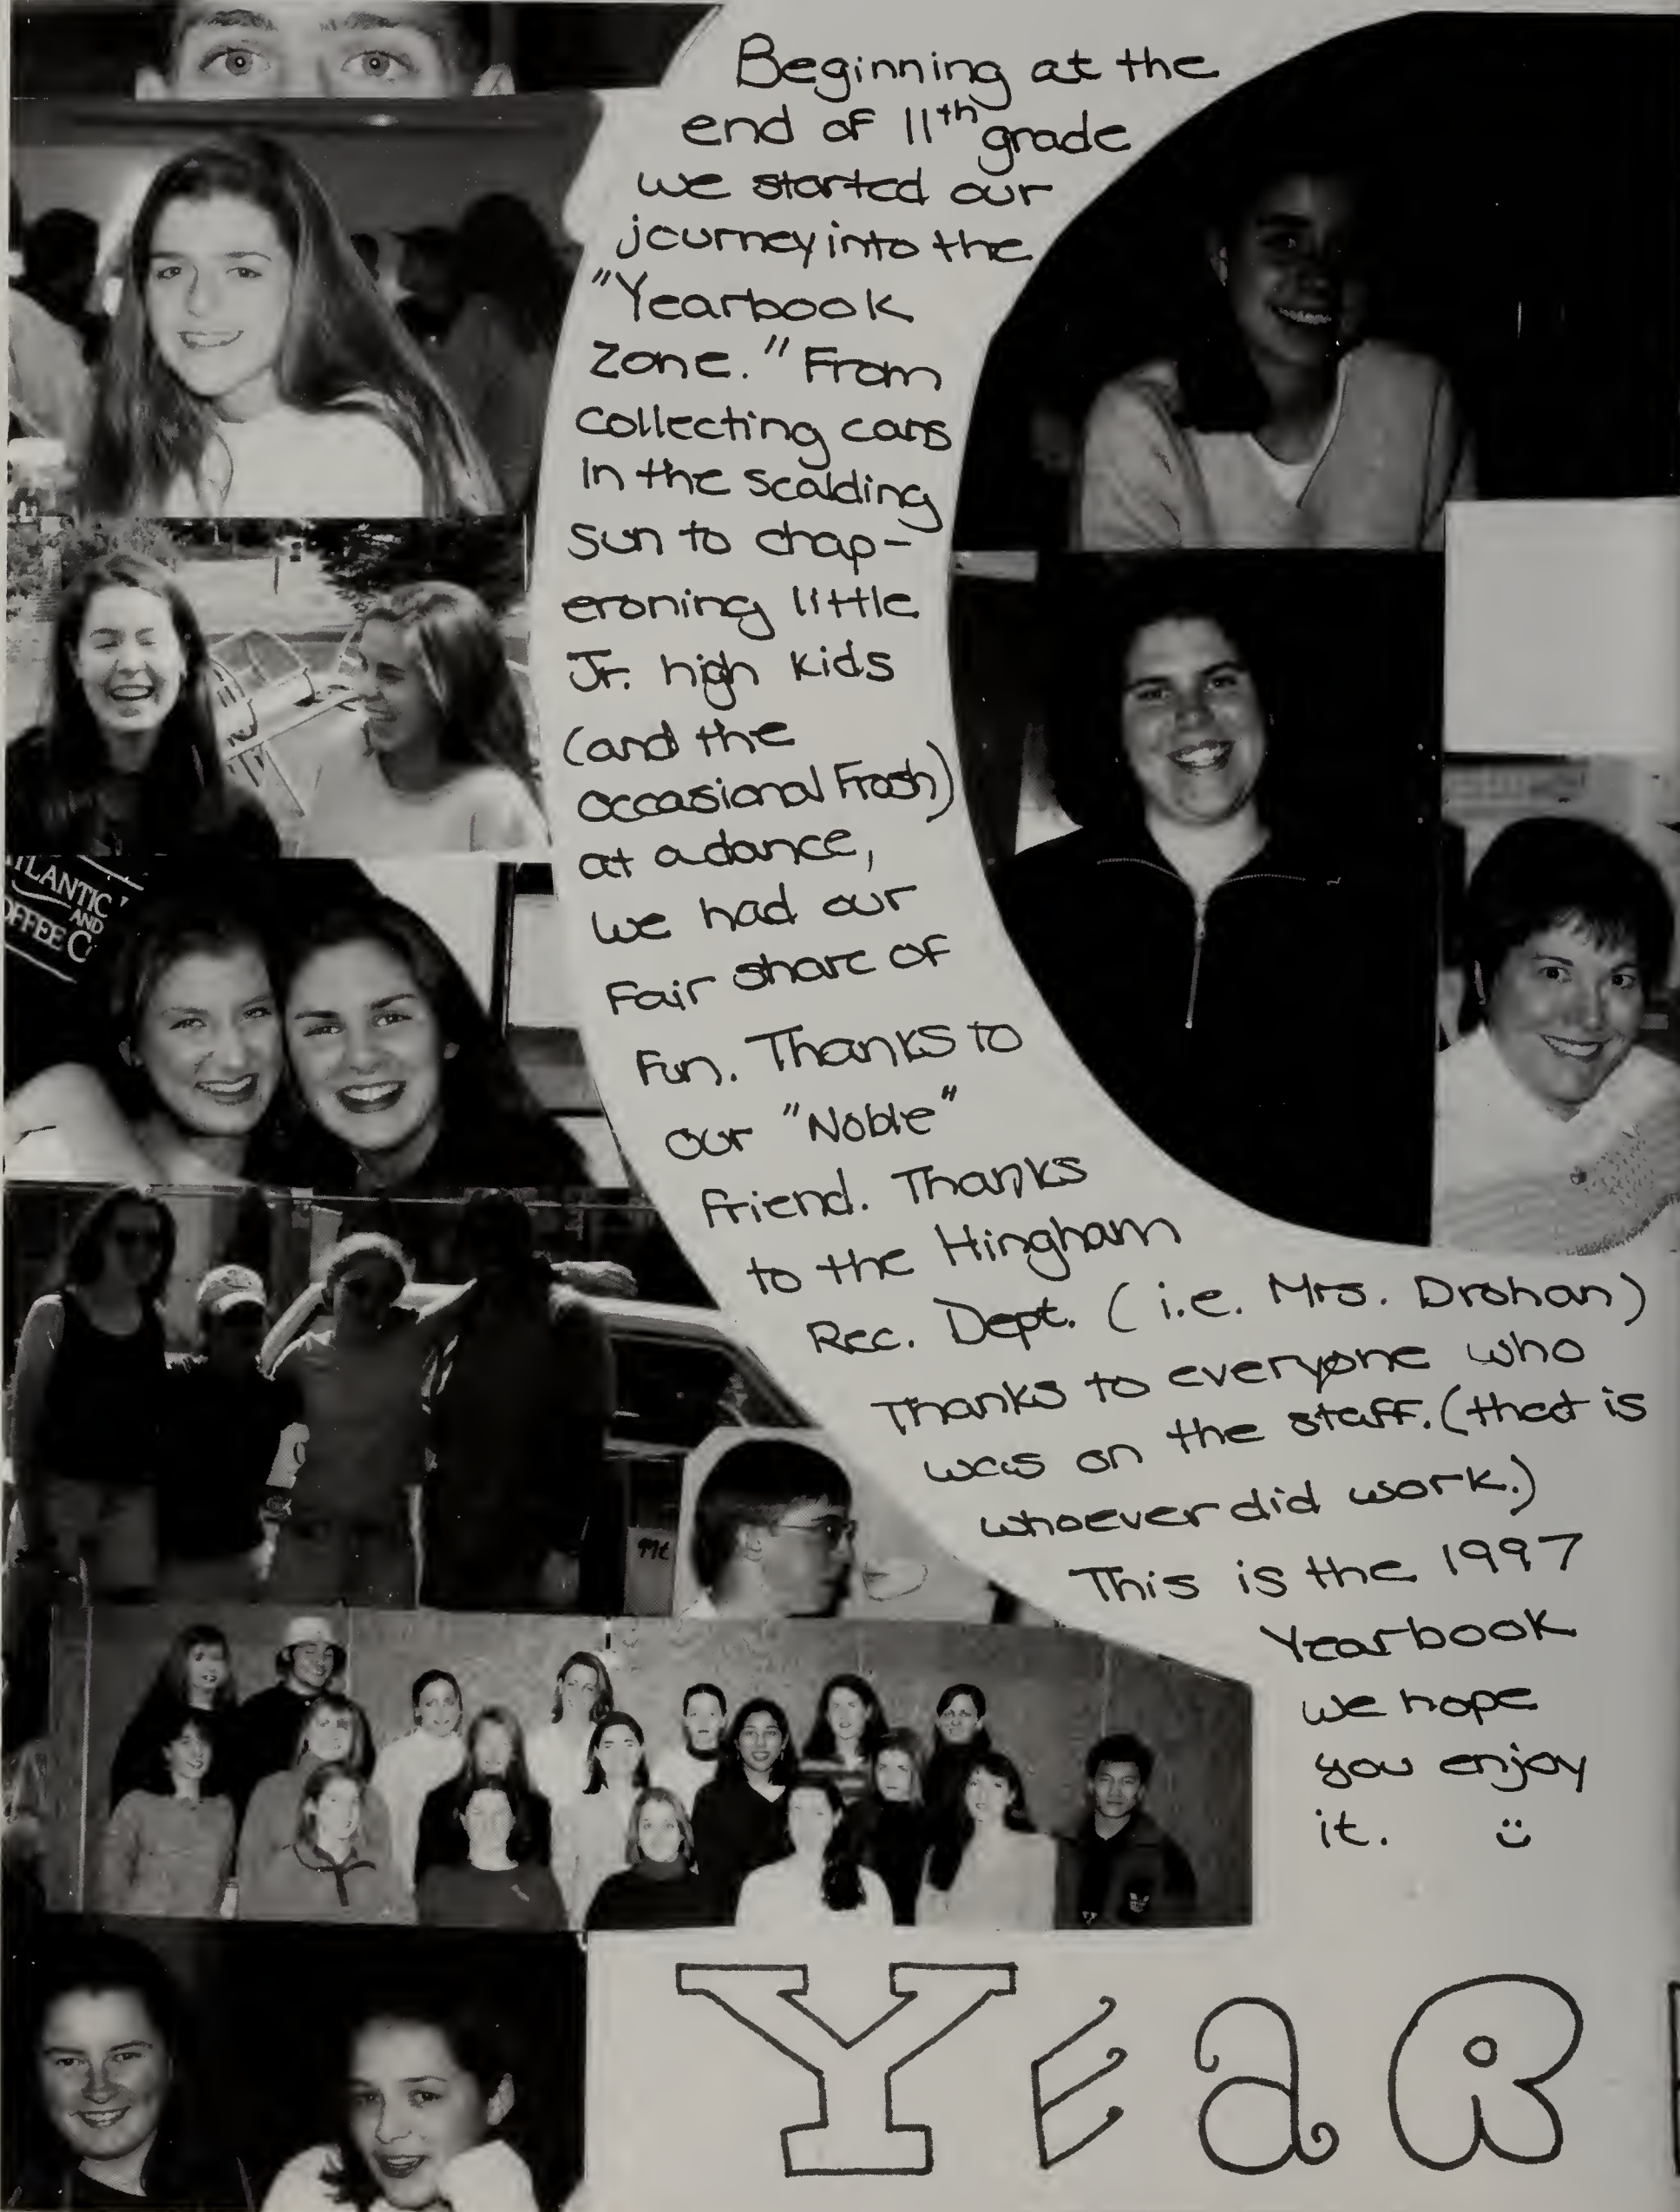

Katie rips up the dance floor all night long.

Marisa, Kerri, and Erin got all done up for the big night.

we had our

As Hingham High Turns...

Whilena knows a juicy secret. She always knows what goes on at Hingham High. She uses the information to blackmail Dave into taking hula dancing lessons. Whilena needs to keep Dave busy so he won't mess up any Hingham romances with his flirtacious manner.

Ellen a.k.a. "Doc," keeps an eye on Tim. She is the expert on Amateur psychology at HHS and thinks that Tim is a very interesting case study.

Dave, who secretly loves the lessons, asks Ellen to keep an eye on Tim. Tim is Dave's half brother but neither knows it since their mother died in a tragic case of Scurvy.

Tim is suffering from Amnesia since his tragic accident while boating with KC. He thinks he is 12 and doesn't realize that his crazy uncle is trying to kill him for his inheritance.

*B*renden was afraid that KC would expose their top secret plans. Brenden wanted KC to die again to make their plans to take over the world more secure.

*B*ut Cassie knows that KC had never actually died. He was secretly living in the woods behind her house.

I was upset that no one had told him anything. Originally, JJ wanted to kill KC by faking that boating accident but that plan failed. JJ has a secret infatuation with Meghan and will do anything to keep KC away from her.

*M*eghan is happy that KC, her long lost love, is back from the dead. She was heartbroken when she heard about the boating accident. She wants to call her very best friend Cassie to tell her all about the news.

*K*a.k.a. "Kid Cool," mysteriously reappeared in downtown Hingham two days after his funeral. Everyone was shocked especially since no one recognized KC without his beard and moustache.

SUCCESS

To laugh often and much, To win the respect of intelligent people and affection of children; to earn the appreciation of honest critics and endure the betrayal of false friends; to appreciate beauty; to find the best in others; to leave the world a bit better, whether by a healthy child; a garden patch or a redeemed social condition; to know even one life has breathed easier because you have lived. This is to have succeeded.

Congratulations Hingham High Class of 1997....

These four years have brought us closer together as a class. The friendships we have made will last a lifetime. As Freshmen we reached for the stars, and now as Seniors we are among them. We worked hard to put together a yearbook that would serve as a time capsule.

Instant Karma

Instant Karma's gonna get you
Gonna knock you right on the head
You better get yourself together
Pretty soon, you're gonna be dead
What in the world you thinking of
Laughing in the face of love
What on earth you tryin' to do
It's up to you, yeah you.

Instant Karma's gonna get you
Gonna look you right in the face
You better get yourself together darlin'
Join the human race
How in the world you gonna see
Laughin' at fools like me
Who in the heck d'you think you are
A super star

Well, alright you are
Well we all shine on
Like the moon and the stars and the sun
Well we all shine on
Ev'ryone come on

Instant Karma's gonna get you
Gonna knock you off your feet
Better recognize your brothers
Ev'ryone you meet

Why in the world are we here?
Surely not to live in pain and fear
Why on earth are you there
When you're ev'rywhere
Come and get your share

Well we all shine on
Like the moon and the stars and the sun
Well we all shine on
Come on and on and on
Yeah yeah alright ah ah.... Beatles
